Subject: Administrative Notes  

I. School Colors

In accordance with the action taken at the October 10, 1973 Board Meeting, I am happy to make a report to the Board relative to information concerning institutional colors for Tyler State College.

The Dean of Student Life, through work with representatives of the Student Body, selected several color combinations which were placed on a ballot for utilization in conducting a student opinion poll concerning school colors. In addition to the color combinations selected by the student representatives, a place on the ballot was provided for other suggested combinations.

Balloting for the student opinion poll was conducted over a four-day period from 8 a.m. to 7 p.m. each day. Announcement about the poll was made in all institutional classes prior to the poll and the poll was also publicized on bulletin boards throughout the campus.

A total of 115 ballots were cast during the four-day balloting period and the color combinations and results of the poll are as follows:

- Green and Gold 10
- Blue and Orange 11
- Maroon and Silver 16
- Blue and Silver 20
- Blue and Green 37
- Write-in Combinations 21

In addition to student opinions, faculty and staff members were requested to express their sentiments regarding institutional colors. Four were returned with all four favoring blue and green. One elaborated on his sentiments as follows: "In regard to the memorandum received in this office October 16, 1973, concerning the institutional colors for Tyler State College, it is my recommendation that we stay with the originally proposed colors of blue and green. I, for one, hate to see us adopt colors that identify us with other institutions in the state. Thank you for requesting our input on this matter."
II. Reminder of Meeting of Coordinating Board, Texas College and University System

This is a reminder of the meeting of the Coordinating Board, Texas College and University System on Wednesday, October 31, at 10:00 a.m. in Austin. The Program Committee of the Coordinating Board will meet at 1:00 p.m., Tuesday, October 30, to consider the Tyler State College graduate degrees.
