UT Tyler Receives Coordinating Board Grant

The Texas Higher Education Coordinating Board Teacher Quality Grant awarded UT Tyler a \$79000 grant to promote the incorporation of technology in the geometry classroom. The five-week summer institute, titled “New Dimensions: Transforming Geometry through Technology,” was designed for high school teachers in the Region 7 area. The program was coordinated by Dr. Nathan Smith and Dr. Lesa Beverly, assistant professors of math.

UT Tyler Task Force to Address the Needs of Freshmen

UT Tyler established the 25-member Freshman Year Experience task force to “study the needs of freshmen and explore ways to help them to be successful academically and socially”. Dr. Robert Sterken served as chair of the task force, which paid special attention to student retention.

UT Board of Regents Approve \$11.9 Million for UT Tyler Facility

UT Tyler received approval for \$11.9 million to support Phase II construction of the UT Tyler Engineering, Sciences and Technology building (now the Bill Ratliff Engineering and Sciences Complex). The Board of Regents previously approved \$22.9 million for Phase I of the project, with initial construction scheduled to begin in Fall 2003. The facility was designed to provide laboratories, classroom space, offices, and administrative facilities for the engineering departments, computer science, chemistry, biology, and physics among others.
