SHIPMENT OF CATALOGS IS DUE SOON

After several weeks of delay, the college has received 500 copies of the new 1974-75 catalog. Approximately 2,000 more catalogs were shipped Monday by way of a freight truck from Laredo.

The college has accepted only a partial shipment because of the poor quality of printing on the front cover. In fact, the catalogs accepted do not represent quality printing; however, the urgent need for them resulted in the acceptance of 2,500 copies.

The remainder of the order, approximately 2,500 catalogs, is presently being re-printed. It is anticipated that these will be shipped between June 1—15.

FIRST COMMENCEMENT WILL BE TUESDAY

Our first commencement program is only four days away--Tuesday, May 14, 1974.

It is scheduled in Harvey Hall at 7:30 p.m. Dr. Noel McCoy, convocations committee chairman, has requested that everyone be seated by 7:15 p.m.

A commercial photographer is scheduled to photograph the activities of this historic occasion. Prints of the pictures taken will be made available to faculty, staff, and students at a nominal fee. The photographer will arrange for the pictures to be displayed and he will give instructions as to how they can be ordered.

All of the full-time faculty is requested to be in the robing room at 7 p.m. for pictures.

President Stewart commented, "Your presence at this first graduation in the history of the institution will be a fitting tribute to our graduates. We certainly invite and encourage you to attend."

Dr. McVicker said, "The college has moved far ahead of the originally proposed schedule, due to the citizenry of Tyler and the East Texas area, the dedicated support given to the college by state representatives, senators and the governor's office, the unselfish efforts of the TSC Educational Foundation, the around-the-clock work, enthusiasm and dedication of all the TSC Board of Regents, the leadership of the president, deans, faculty, and
