OFFICE OF THE VICE PRESIDENT  
FOR BUSINESS AFFAIRS

August 22, 1972

Dr. James H. Stewart, Jr.  
Tyler State College  
Post Office Box 1142  
Tyler, Texas 75701

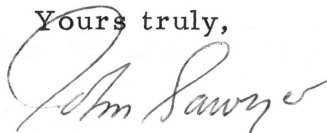

Dear Dr. Stewart:

Since the concept of Tyler State College was first made public, I have watched the emergence of the institution with great interest. To my mind, the future will prove the wisdom of the Governor, the Coordinating Board and the Board of Regents for their selection of Tyler as the location for an upper level and graduate college.

As I have stated to you in previous conversation, and in the resume to the Board of Regents, I would greatly appreciate your consideration of my application for a position of responsibility in the area of business and/or finance in the administration of Tyler State College. In view of the fact that I have twenty years experience with a young and developing institution, I firmly believe I can make a contribution at Tyler.

Should you need additional information or clarification about my application, please let me hear from you.

Yours truly,

John R. Sawyer  
Vice President for  
Business Affairs
