OFFICE OF THE PRESIDENT

To: Board of Regents, Tyler State College
From: James H. Stewart, Jr. 
Subject: Administrative Notes

I. Commencement Editorial and Other Newspaper Articles

I was very pleased that the Tyler Courier-Times editorialized Tyler State College in the May 15, 1974 edition. A copy of this editorial and other Commencement related articles are enclosed for your information.

II. Early Site Work

Through the news story concerning the Board's decision to ask for bids on the early site work, our architects have informed me that we already are having interest expressed in our bidding of this work. The documents are scheduled to be in Dave Wilcox's office today for inspection by potential bidders.

III. Regent David K. McKie in Hospital

Regent McKie was admitted to Medical Center Hospital, Tyler, Texas Thursday afternoon, May 16, for a complete checkup. It was Regent McKie's desire that if I mentioned his hospitalization, that I also inform you that he is not actually ill but did feel the need to have a thorough medical checkup at the present time.

IV. Comments Regarding Commencement

We have received many comments, both written and verbal, concerning our recent Commencement program. Although it would be impractical to relate all of these to you through Administrative Notes, a copy of a letter received from one of our program participants, Dr. W. M. Shamburger, is attached for your information.
