Dear John:

Thank you for your note of congratulations of July 17, 1981 relative to my being named acting president of The University of Texas at Tyler.

Certainly, your offer of assistance during my tenure is appreciated. I am finding this role, along with my other responsibilities, quite a challenge, but an enjoyable one.

John, I am sorry we did not have the opportunity to "visit" more in El Paso. I would have enjoyed hearing about all the new developments at North Texas.

Again, thank you for your kind letter. It is always good to hear from you.

Sincerely,

Dear John:

Just a note of congratulations on your new assignment as Acting President. As you know, John Carter had that assignment twice and contrary to what he might tell publically, I think he enjoyed the challenge and was most appreciative of the confidence his colleagues had in him. I'm sure you feel the same way.

Let us know if we can help.

Sincerely,
