Don’t Fear, Muntz Library Staff is Here!

Well, we may not have super powers, but we are here to help you with all of your library needs and then some!

The library has librarians, library assistants, graduate assistants and student assistants, on hand to help you with your reading, resource, and space needs. We even have supply tables for the little things you may need like: staplers, hand sanitizer, and hole punch machines.

During finals week, more of us than usual will be on hand evenings to help you with special questions and anything else that may come up. There will also be a table set up on 3rd floor for this purpose.

We all wish you the very best as you endeavor to complete the challenge of Finals!

Editor’s Corner

As the semester and the year come to an end, one can only look back and wonder: “Where did all the time go?”

This is true for the Library as well. We have accomplished so much this semester! And it was all for our library patrons! The Library opened the semester with an impressive, newly furnished, and painted 3rd floor!

We have also made changes in spaces and furnishings on other floors as well. We have gone through Banned Books Week, Midterms, added new library staff, participated in fire drills, and so much more!

And guess what? It was our pleasure! We LOVE our students, faculty, staff and community users! It is because of you that we exist! Have a safe and Happy Holiday!
