## Bachelor of Science Degree in Nursing

It is with pleasure that I inform you that the Program Committee of the Coordinating Board, Texas College and University System, unanimously approved our proposal for a Bachelor of Science in Nursing Degree during the committee's meeting yesterday at the Dallas-Fort Worth Airport. The committee will now recommend approval to the full Coordinating Board when they meet next Tuesday in Austin. Since nine of the eighteen members of the Coordinating Board attended yesterday's meeting, we have a large percentage of the Coordinating Board already informed about our Bachelor of Science in Nursing Degree.

I might add that the Program Committee of the Coordinating Board and the Coordinating Board staff are all very enthusiastic about our opportunities in nursing education at Tyler State College and, certainly, we look forward to finalizing the necessary decisions that need to be made in implementing the degree program following the formal action of the Coordinating Board next week.
