SUBJECT: Proposed Student Organization  
Physical Education and Health Education  
Undergraduate Nonsense (PHUN)

---

I have reviewed the petition for the proposed student organization, Physical Education and Health Education Undergraduate Nonsense (PHUN). Based upon the purposes described in the petition and the fact that the procedures for new organizations as specified in the Student Handbook have been fulfilled, I hereby grant tentative administrative approval for the organization.

I trust that you and Dr. Green will continue to work with the organization so that the constitution will be submitted within the time specified in the handbook.

I am very pleased to see this kind of professional activity developing on the part of students. Thank you for your efforts in this behalf.
