## GROUNDBREAKING TO BE HELD AT PERMANENT CAMPUS SITE

The groundbreaking ceremony for Phase I construction will be held at 2 p.m. Wednesday, Jan. 29.

The institution will be closed from 1:30 to 3:30 p.m. in order that all TSC employees will have the opportunity and privilege to attend the ceremony.

Dr. Bevington Reed, commissioner of higher education, Coordinating Board, Texas College and University System, will be the keynote speaker at the historic event.

Dr. Reed has served as Texas Commissioner of Higher Education since 1968. He is listed in "Who's Who in America," "Who's Who in the Southwest," "Who's Who in the Midwest," and "The Blue Book: Leaders of the English Speaking World."

(continued)

Construction has been under way since September; therefore, this will be a symbolic ceremony at the construction site.

In case of inclement weather, the ceremony will be conducted at the Green Acres Baptist Church, located at the corner of the Troup Highway and Leo Lynn Street. This church is the largest facility in close proximity to the new campus site.

President Stewart cordially invites all faculty, staff, and students to attend this event.

Dr. Stewart is currently obtaining some information concerning TSC's institutional appropriation request for fiscal years 1976 and 1977.
