## VPAA ADVISORY COMMITTEE EVALUATES APPLICATIONS FOR EXECUTIVE POSITION

The Vice President for Academic Affairs Advisory Committee is approximately 75 to 80 percent complete on its first evaluation of all applications for the position, according to the committee chairman, George Joyce.

A total of 98 inquiries from 33 states and Canada were received in the personnel office. Of this group, 41 individuals from 21 states completed the application process.

Joyce said each committee member is completing a standard evaluation form after independently reviewing the folder of each applicant. In addition, they have been meeting as a group on a weekly basis for purposes of planning.

"The charge to the committee is to review, evaluate and categorize each applicant for the purpose of assisting in the selection of a vice president for academic affairs. The committee has set four categories which include most acceptable, acceptable, least acceptable and unacceptable. Each member is making this evaluation independently," Joyce said.

(continued)

After evaluations are complete, a summary report will be made to the president identifying the people in each category.

Members of the committee include Joyce, Deborah Ann Carter, John R. Sawyer, Barbara A. Sears and John H. Spurgin.

"Each member recognizes he or she is a representative of a unit of the university community and is pursuing the issue with conscientiousness and diligence," Joyce added.

## NOTES FROM THE PERSONNEL OFFICE

Texas Eastern University employees covered by the group policy with Blue Cross and Blue Shield should notify the personnel office promptly when any change in the employee's family occurs.

Forms are available in the personnel office to provide for changes in coverage due to marriage, a birth of a child or whenever any other change in the makeup of a family occurs. These forms should be completed within 30 days of a change in family status.

"If this is not done within 30 days after the change, there will be a considerable delay in adjusting the list of family members carried," Wayne Williams said.
