APPROPRIATIONS FOR 1977-79 BIENNIUM FOR TEXAS EASTERN TOTAL \$12,501,344

Appropriations for the 1977-79 biennium for Texas Eastern University total \$12,501,344. Included in this is \$4,087,597 for construction of Part A of the library building.

These appropriations were approved by the 65th Texas Legislature. The final step before becoming effective is the bill signing by Gov. Dolph Briscoe.

TEU will have operating funds of \$4,137,872 for the 1977-78 fiscal year and \$4,275,875 for 1978-79. All money except an added \$150,000 annually for operation of the library and the construction funds was appropriated on the formula basis.

Funds are provided to permit annual salary increases of 3.4 percent. Such increases shall be granted to all employees making less than \$12,000 annually as of August 1977 and may be granted to employees making \$12,000 or more, according to the bill.

University officials are presently preparing the 1977-78 budget which will be considered as a part of the July 6 board of regents meeting. Immediately following approval of the budget, 1977-78 employment contracts will be processed.

34 TEXAS EASTERN UNIVERSITY STUDENTS NAMED TO "PRESIDENT'S HONOR ROLL"

Thirty-four students were named to the president's honor roll at Texas Eastern University for earning a 4.0 grade point average for the spring semester.

The spring list represents a new high with the previous record of 33 being set in the spring semester.

All schools and 19 academic areas are represented. Elementary education has 8 and secondary education 4 to set the pace.

Terri Lynn Russell, a senior accounting major, is the first student to make the president's honor roll for four consecutive semesters. Eric George Mueller of Tyler is on the list for a third time and five additional students are on the list for a second time.

Included are 21 juniors and 13 seniors with five of these spring graduates. Students honored are listed by their place of residence:

TEU CONSTRUCTION PROGRESS CONTINUES

Progress continues to be evident on two construction projects on the Texas Eastern University campus.

On the Health and Physical Education facilities, masonry work is essentially complete except for cleanup around the exterior of the building, according to L. J. Grubbs.

In his weekly report, Grubbs said the north stairs are poured and hand rails are installed on the south stairs. Plastering is underway in the first floor shower and locker rooms. The drama room cat-walk is 98 percent complete. The original contract completion date is July 23.

Phase II progress includes the clearing of two parking lots and the site for the Sciences and Mathematics Building. Some clearing has been completed in the area of the Business Administration Building. Completion of the Phase II program is to be in the fall of 1978.
