R E S O L U T I O N

BE IT RESOLVED by the Board of Regents of TEXAS EASTERN UNIVERSITY that on this, our final meeting as a Board of Regents, we commend the media and each of the representatives thereof who have attended our meetings since the inception of this Board for their interest, their accuracy, their understanding and their exemplary conduct to this Board and its members.

The understanding and manner of presentation of our numerous problems to the public by the media has resulted in a most favorable public attitude toward Texas Eastern University and its predecessor, Tyler State College, which we believe will carry over to our successor, The University of Texas at Tyler.

This could not have been accomplished without the favorable attitude of the media and its thorough coverage of our activities.

We further acknowledge the generosity of the media in editorial expression which has likewise been of great benefit to this institution.

As we adjourn this, our final meeting, we want to say "Thank You" to each and every person who has contributed to the public image they have helped us create.
