United Way campaign extended

SBI Wins District Award

The United Way campaign on campus remains open for those who wish to make a contribution. Pledge cards are available in the News and Information Office, ADM 221.

Because pledges to the United Way of Tyler/Smith County campaign are down this year, UT Tyler's support is more important than ever. The United Way directly touches one out of three families in Smith County each year.

With their pledge cards, employees may make a contribution now or may request that they be billed by the United Way office. Pledge cards should be returned to the News and Information Office.
